VERBENA

One of those garden essentials that bloom from spring to fall with very little fuss.

Bonariensis Meteor Shower - light purple flowers; perfect resting place for butterflies & humming birds; updated/ more compact habit than standard bonariensis / non-flopping ; non-invasive; heat & drought tolerant; deer resistant; 24-30" ht x 8-12" spread; full sun to pt shade

Verbena Lanai Twister Pink - fabulous multicolored flower heads boast a vibrant combination of white, pale pink, and deep rose; the delightful swirling effect is set off by dark green foliage on well-branched, trailing plants; attracts butterflies; full sun; 4-10" ht, 12-18" spread, spiller / trailing

Lanai Twister Purple – large showy clusters of lilac purple star-shaped flowers w/ white eyes & purple tips bloom continuously; ideal for hanging baskets, mixed & monoculture containers; excellent for cutting; spiller/ trailer; 8-10" ht, 12-18" spread

Superbena Royale Verbenas *have very large star-shaped flowers and umbrels and bloom earlier than regular verbenas; are very vigorous and mounded, but will trail over the sides of containers functioning as both spillers and fillers; great in containers, front of beds, ground covers; butterfly magnet; deer resistant; drought resistant/heat tolerant; blooms all season long; excellent cut flower; self-cleaning; sun*

Superbena Royale Iced Cherry – masses of intense cerise cherry pink flowers with a silvery glaze and a small white eye; 4-6" ht, 12-18" spread

Super Royale Plum Wine – boasts large clusters of reddish violet flowers; 8-12" ht, trails to 48"

Super Royale Whitecap – showy clusters of white star-shaped flowers against tiny tomentose narrow green leaves; 6-12" ht, trails to 24"

Super Royale Violet Ice – large clusters of violet blossoms w/ white eyes; 8-12" ht, 24-30" spread, trails to 24"
